

TODAY'S RADIO BROADCASTS

Chicago turns its clocks back to central standard time this morning after six months of daylight saving. Network programs will be found listed, starting today, one hour earlier by the clock. Thus, a network program aired the last month at 7 p. m. daylight time will be aired at 6 p. m. henceforth. Many local programs also will be moved one hour, but others will be found at new periods.

[Central standard time.]
