NELSON EDDY

TOPS THE LIST At that Nelson Eddy makes more than any other stal on the! lot, grossing almost half a million dollars every good year. Eddy. however, has four sources of income, the screen, radio, his concert tours and his records. His expenses are high too. Friends say when these and taxes are paid he has a top of \$150,000 a year left.

Probably the only entertainer who grosses more than Eddy is Jack Benny, who reportedly gets \$480,000 a year from his radio program. Jack also gets \$100,000 for each picture. He made "Artists and Models Abroad" for Paramount last year and is making "Man About Town" for the same studio

Bing Crosby and Bob Buins who also have several sources of income, are way up on top too.

It's a race between the stork and finishing the picture as Maureen! O'Sullivan, wife of Director John Farrow, goes into "Taizan in Exile" today. Maureen is expecting a daughter this spring. WEISMULLER

The picture marks the screen retuin after two years for Johnny Weissmuller, who's been on salary all the time from M-G-M excepting when he was swimming in Billy Rose's exmavaganza at Cleveland

With Crosby and Dick Arlen, he is one of the best in the film colony, shooting around par After swinging golf clubs for 24 months, he ought not to have any difficulty getting back into form samping tiee tiunks as Taizan.
