W. C. Fields Heads Cast For Latest Film On Sigma Screen

Quilna Offers Hollywood Favorites In "Western Union:" "Kitty Foyle" With Ginger Rogers Shows At Ohio W. C. Fields, master of innuendo and extensive vocabu-

lary, returns to the screen at the Sigma theatre Wednesday with his latest comedy, "The Bank Dick," which will be offered with "The Case of the Black Parrot." Showing for the last times Tuesday is "Come Live With Me," starring James Stewart, Hedy Lamarr, Ian Hunter, Verree Teasdale and Donald Meck.

Action favorites of Hollywood are featured in the east of the Quilna's "Western Union," starring Robert Young, Ran-

dolph Scott, Dean Jagger, Virginia Gilmore and John Carradine. The thrilling Zane Grey story of the building of the telegraph from Denver to Omaha and the many adventures encountered by the rugged fighters, insures dramatic entertainment.

The familiar story of the typical big city office worker is "Kitty Foyle," stairing Ginger Rogers. The film narrative includes 11 years in the life of a working girl, from her first business college days and her first romance thru a series of colorful adventures to her success as a business woman. Dennis Morgan and James Craig are starred in the supporting cast at the Ohio.

In the dual roles of a timid book reviewer and a gang baron for whom he is mistaken because they look alike, Joe E. Brown returns to comedy in the Lyric's "So You Won't Talk" An expose of the adoption racket is contained in the recond feature, "Babies For Sale," with Rochelle Hudson and Glenn Ford in the starring roles. Stars of the State theatre feature, "Seven Sinners," are Marlene Dietrich, John Wayne and Broderick Crawford, with Singanore providing a background. The co-feature, "Too Many Girls," a

campus comedy, stars Lucille Ball, Richard Carlson, Ann Miller, Eddie Bracken, Frances Langford, and Desi Arnaz.

OIRO

The streamof-consciousness technique in story-telling now goes bodily into a motion picture. Used many times in fragmentary scenes to illustrate the workings of a character's mind, it is currently forming the entire treatment of "Kitty Foyle," starring vehicle for Ginger Rogers.

The phrase "stream - of - consciousness" belongs to that parade of the century invaded realistic literature. This subjective, psy- left for New York. He scored a ter institute of the Epworth chological exposition, referring to hit there in the Theatre Guild League at Marion. the innermost thoughts of a person, was effectively and notably employed by Eugene O'Neill in 'Strange Interlude" and James Joyce in "Ulysses."

In "Kitty Foyle" this method of story-telling, so brilliantly executed in Christopher Morley's book, serves as the total method of approach, Kitty Foyle, symbol of all white-collar girls, "thinking" her story and the screen visualizing her thoughts.

Thus, "Kitty Foyle" on the screen promises a revolutionary departure in screen history. In an art-industry freely lambasted for its timid adherence to hidebound traditions, "Kilty Foyle" assumes courageous proportions Yet, if the quarter-million sales of Morley's book is any criterion, nybone for another laughing the filmic translation may well be expected to establish a cinematic milestone.

The Main-Liner aristocrat of Wyn steps out of the book in the person of Dennis Morgan, sensational new leading man, while Mark is essayed by RKO radio's new hopeful, James Craig.

QUILNA

Miss Margery Looser and Dick Like many of the lusty charac-Swint of Fremont spent Sunday ters he's brought to life on the screen and stage, rugged Dean Jagger is a true son of the outdoors. Twice denied success in Tuesday for Cleveland and from Hollywood Jagger went back a there accompanied Mr. and Mis. third time, obtained one of Hollywood's most coveted roles and month's stay at Ft. Lauderdale, Fla. She also will visit with relathe Mormon leader in "Brigham

Because of his fine performance in that production, he was east as Edward Creighton in Zane Grey's "Western Union, technicolor film which is now at in human souls! the Quilna theatre. Others featured with Jagger are Robert

Young, Randolph Scott and Virgima Gilmore. Oddly enough it was a film

cutter who re-introduced Jagger to Hollywood. At the time execulives had spent three months seeking an actor to portray Brigham Young, the film cutter called their attention to a picture Jagger had made on his first trip to Hollywood.

Recalled to filmdom's capital, Jagger took a 30 minute screen test and was signed for the Brigham Young role. When studios decided to film "Western Union," it was only natural that Jagger be cast in a key role.

While on a vaudeville tour in 1928. Jagger went to Los Angeles where film scouts signed him for the movies. Cowboy roles modernisms which at the turn he liked, but when he was cast as an Egyptian, he packed up and tended the Lima district mid-win-Shall Not Die Jagger's wife convinced him that the legitimate stage was best for him. He played in suc-Jesse James in "Missouri Legend," until he returned to Hollywood for a third time.

Now, with another outstanding performance to his credit in "Western Union," Jagger 18 well on his way to stardom. Others in the powerful featured cast include John Carradine, Slim Summerville, Chill Wills and Barton MacLane.

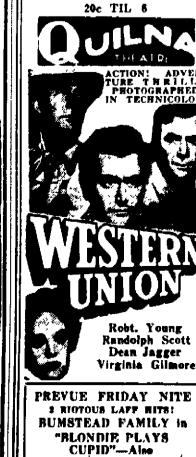

LARIC

Double Joes . . . double laughs . . double thrills! The Brown bomber of mirth socks your tunknockout! No fooling about this being the wide-mouthed star's biggest bit . . . when he loses his beard only to learn he's the double of the king of the mob-SLETS!

"So You Won't Talk?" is now at the Lyric theatre with Joe E. Brown in his greatest laugh-filled comedy, in the double roles of timid book critic and terror-inspiring gunman! The new comedy has Frances Robinson in the leading feminine role, and other important players are Bernard Nedell, Vivienne Osborne and Tom Dugan.

Pillorying a pitiless profiteer in human heartbreak! The shockscored a sensational success as ing story of an "adoption" racketeer . . . who fore infants from their mother's arms to sell them for cash! A racket that roused a city to a fighting fury til a daring doctor and a fearless reporter smashed the traffic Rochelle Hudson, Glenn Ford

and Miles Mander head the cast
