As the New Year opens, Lima movie houses will be showing various types of pictures, including comedies, musicals and action hits.

"Ice-Capades," at the Lyric, deals with a young newsreel cameraman who photographs the wrong girl when assigned to cover a skating exhibition. James Ellison, Jerry Colonna and Dorothy Lewis have! leading roles. Also on the new bill is "West of Pinto Basin," with the Range Bus-

Showing at the Ohio is "Babes on Broadway," 1942's first great fun and music show. Starring Mickey Rooney and lovely Judy Garland, this picture tells the story of youngsters who invade New York to seek fame and success on the stage, and, after a struggle, finally find their names in lights on the "Great White Way."

"Honky Tonk," one of the best action pictures of the current season, currently is showing at the State theatre with Clark Gable and alluring Lana Turner in the principal roles. "Law of the Tropics," another action hit with Constance Bennett and Jeffery Lynn, completes the program.
