Of course you think of your mother every day-but on Mother's Day you owe her an extra thought . . . a remembrance to reward her for the thousand and one things she's done for you.

Why not give her a lovely, lasting gift such as lewelry that she'll wear and appreciate for years to come. The smile she will wear when she opens the package will make you happy you thought of it.

FINDLAY AREA BEING WATCHED FOR DIPHTHERIA

You'd better try another spot with that sign, churn!"

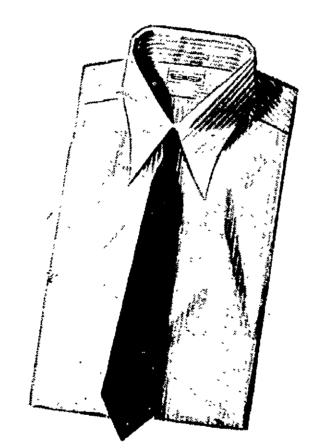

COLUMBUS, May 6-(UP)-An outbreak of diphtheria in Findlay, O., was reported today as state health department authorities announced that the Steubenville smallpox epidem c had entered its third cycle with six new cases listed.

State Health Director R. H. Markwith said 16 diphtheria cases had been reported in Hancock-co. Meanwhile, two new smallpox cases were reported at Steubenville and four others in surrounding Jefferson-co, bringing the area's total to 42. One case was reported in Cleveland last week when a Great Lakes sailor was stricken with the disease after landing at the port there.

American warplane engines are tested to operate in temperatures from 67 degrees below zero to 120 degrees above.
