WO AND a half centuries ago there lived in France a man named Charles Perrault. He was 65 years old, and could look back on a long life of work for the government of his country.

At the time of which I speak, Perrault had given up his government work. Now he was using his time to write books.

The books which he thought important brought little fame to him, but he wrote one volume which was to live through the centuries. It was called "Stories of Past Times." So little did he think of this volume that he failed to say that he was the author. Printed under the title was the statement

## Raccoon Permits Denied

As in the case of fawns and bear cubs, the Wisconsin conservation department denies permits to those who pick up baby raccoons and wish to keep them for pets. It is often claimed the animals are deserted, but it is pointed out wild life seldom deserts its young.

Transcriptions of American radio programs are now broadcast in Australia.
