Most People in Uruguay Are of Pure White Blood

Anyone who wants to find the smallest republic in the New World will have to look for it in Central America. You can find several little ones there. In South America, the smallest republic is Uruguay. Remember that I am speaking of "republics." French Guiana and Dutch Guiana

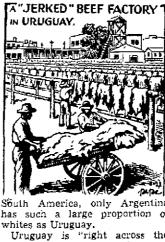

not republics. Uruguay ranks last in size among the South American republics, but how does it rank in other ways? It is second from last in population, but it is at, or near, the top in "civilization."
