# small reserved section?. Madison sometimes has those stuffy, unresponsive audiences, it is true. Occassionally, it's the fault of the artist; less frequently, it's the fault of the audience. The atmosphere was there, for ex-ample, at some concerts to which music school students were urged in music school students were urged in the starboard bow. Madison sometimes, has those fault of the audience. The soundman reported a tremendous rush of air and propellor noises on the starboard bow. Mathematic school students were urged in the starboard bow. But you'll find, at most con-ing for the Helm Mathematic school students, and several of her is sound and star the shound in the starboard bow. Mathematic school students were urged ing for the Helm Mathematic school students were urged ing for the Helm Mathematic school students were urged ing for the Helm Mathematic school students were urged ave

Lighthall said a large-dial

tween artist and audience which jenter. appears, as Thomson points out, only in a thoroughly democratic crowd. \* \*
