

Paulette Goddard Music Hall Guest of Emcee Eddy Duchin

Paulette Goddard, the winsome leading lady of films, will be the featured guest on the Music Hall Thursday at 9 p. m. over NBC. Emcee Eddy Duchin, comedy star Edward Everett Horton, vocalist Milena Miller, the King Cole trio and Russ Case and his orchestra will round out the cast of the half-hour musical show.

Gene Raymond, back from the wars, will portray the famed author, Nathaniel Hawthorne, and enact one of the most beautiful love stories of all time, "Husband to the Moon of May," on the Hallmark Reader's Digest program at 10 p. m. over CBS.

Hume Cronyn, distinguished young stage and screen actor, stars as a bank auditor who commits a perfect crime—only to be convicted of a different one he did not do, in "The One Who Got Away," at 8 p. m. on CBS, on "Suspense."

Cronyn, as the auditor, plans to kill his nagging wife and blackmail a fellow worker into giving him an alibi for the time of the crime. This teller's reluctant help boomerangs and traps the auditor in a surprise climax.

Barbershop harmony and modern tunes will vie for honors on "The Dick Haynes Show," when Haynes presents a musical extravaganza built around "Sweet Adeline," at 9 p. m. over CBS.

Cognizant that the "Battle of the Huckleberries" is a red hot movie-land story of the year, ace Hollywood columnist Louella Parsons traces the story down to its zany source and visits George Burns and Gracie Allen on NBC at 8:30 p. m.

A Lesson in Tea-Making

Scald a crockery teapot. Put in one teaspoonful of tea or one tea-bag for each person. Add fresh, "bubbling" boiling water. Steep for five minutes. Stir, then serve.

"SALADA" TEA

Virtually all the world's fur-bearing seals breed and bear their young on the islands of St. Paul and St. George in the Bering Sea.
