Fatal Plane Just

Finished Overhaul

Civil Aernautics Board experts. They said a "case history" of the plane compiled by Eastern Airlines showed it had under-

gone a major maintenance in-spection only last week in Miami.

The four-engine plane originally was build for the army and converted for commercial use in March, 1946. The plane flew 877

hours and 37 minutes during its army service and 2,746 hours and

JOHNSTOWN, Pa.—(U.P)—Last

cost the American people more than 30,000,000 dollars, the polic-

myelitis epidemic preparedness conference was told today. The statement, made by Dr Kenneth S. Landauer, director of

the medical care program, National Foundation for Infantile Paralysis, was based on what he termed "an average cost of between \$1,100 and \$1,200 per case" for the 24,191 cases of polio reported in 1946.

ported in 1946.
"Poliomyelitis," he said, "is one

of the most expensive diseases known to medicine. Few families

can meet the cost of extended care and treatment."
