ANSWERS TO Modest Maidens By Dick Turner

QUESTIONS

considered official.

By HASKINS

. M. REG. U. S. PAT. OFT "How would I know whether I like it or not, Pet? I haven't the slightest idea how much it costs!

SENATOR SOAPER SAYS:

BUREAUCRACY: Government has become a great dramatic of the people, by some of the was elsewhere? people

A New York high school of says fashion's dictate. Or you fers lessons in the use of the can ask any owner, vainly phone; or how to fill that eight brushing upholstery on which minute lull between "unh" and 'տորը

The snail is found by exhaustive tests to travel a mile in 10 years, a pace which would leave modern civilization breathless.

OPR. 1948 BY MEA BERVICE.

Who now remembers the old-fashioned assembled product that was put together in a factory, instead of later, at a sore purchaser's expense?

To the amusement of one and all, Hollywood's Esther Williams hotly denounces scant bathing Can it be that Esther a previous marriage. attire.

"Short hair is here to stay." the terrier has taken his ease.

The man who doesn't live for himself alone will plan the gar-den to include a row or two of giving away vegetables he wouldn't eat on a bet.

Deprive the provided and the provided an We believe the packing industry calls this the tenderized ham.

Topping: A large, moneyed individual who by marrying be-comes his own brother-in-law by

M. S. A. The reference is probably to Isaiah 31:5: "As birds flying, so will the Lord of hosts defend Jerusalem; defending also He will deliver it; and passing over He will preserve it." This pas-sage has been interpreted by some as referring to the air-plane, especially its use in war-fare. fare.

Q. Where in the Bible is there

a passage prophesying the flight of airplanes over Jerusalem? M. S.

Q. What was the dance step for which Nijinsky was famous? F. F.

A. Nijinsky's step, the entre-chat dix, was a leap into the air during which he crossed his feet 10 times. It is said that no dancer has been able to duplicate this step.

A. They are believed to be the Black Death which swept over Europe and Asia between 1333 and 1382 taking a toll of 75 mil-lion lives, and the influenza epi-demic which followed World War I in 1918-19 and killed 21 million persons

million persons.

"This model's equipped with a built-in radar that will spot a wolf at sixty paces!"

Adams' bid of three no trump over Adams' bid of three no trump. When the dummy went down, the situation looked rather hope-less. West had the spades, dia-Let's Explore Your Mind

By ALBERT EDWARD WIGGAM, D. Sc.

Answer to Question No. 1 and virtuous; his opponent, a pretty onery specimen. Further, the human race always lives in Because people are hero-wor-shippers and in a campaign they want perfection or nothing. Our

By Gene Byrnes Byrnes Answer to Question No. 2

Answer to Question No. 2 An experiment with 407 chil-dren ages 2 to 10, and 65 adults by Columbia U. Psychologists A. T. Jerslid and Sylvia Bienstock Ied them to conclude children gain in singing ability if taught as early as three and a half years, possibly earlier. They concluded children probably de-velop one or two tones at that age that might not be developed if neglected until later years. Other studies show group sing-tion for the rest. AIR PROGRESS AIR PROGRESS AIR PROGRESS AIR PROGRESS AIR PROGRESS Service and in safety. In all di-rections the earth shrinks. Amer-ican Eastern. Trans.World. Unit-Other studies show group sing-ing helps anyone's personality and self-confidence.

Answer to Question No. 3 Yes, because as first shown by the late biologist, F. A. Woods, "all good traits tend to go together." But as Harvard Sociologist Peterim Sorokin sociologist recentin sociolity also shows, there are so many exceptions you cannot apply the general rule to any particular person. Many criminals are bril-liant and some geniuses have been scoundrels or at least terri-bly uncharitable and solf can uncharitable and self-cenblv
