LONG RANGE PLAN

but the other night at one of the local wise-guy wassaileries a group of us got to wondering out loud about who was the big-

gest heel in show business. When we had libeled our way

through a dozen names, an old-time theater manager rapped

"You teen agers are just talk-

ing about guys with bad personalities," he said. "Back in the old days, there were real heels on Broadway. I know, be-

cause I worked for some of

"Well," said the old-timer, "there was Ellis Fenton, for one. That wasn't his real monicker, but I prefer to call him that. "Fenton showed up on Broadway about 1900, married a wealthy dame on Long Island, bought himself a couple of theaters with her dough, and went to work chasing actresses around his office. He paid low wages, made his people work long hours, and during Christmas there was always abuse-

mas there was always abuse-and-a-half for overtime. I worked

for the guy three years.
"One day Fenton called me into
his office," the manager went

on, "and asked me to do a con-fidential job for him. A week before, he had sent his secre-"and asked me to do a con-

tary—Harold Morris was his name—out on an errand and the

fellow hadn't returned. He wanted me to locate Morris.

"Well, tracing the secretary wasn't much of a chore. I went to the uptown hotel where

went right down, and had a

married. But the couple got no part of the dough—they gave it to a third person who had planned the whole thing."

"Who was he?" I asked.

"He was a she." said the manager, "and to tell you about her, I'll have to sketch in a few things the secretary told me about Fenton's early life. It seems he came from Bowling Green, Ky., and when he was 20, he got sweet on a girl down there and married her. Then, a few days later, he decided he'd had enough of married life, ditched her and vamoosed to New York.

"His wife wrote several let-

moosed to New York.

"His wife wrote several letters telling him that a bundle of joy was on the way, but he never bothered to answer. When a gal-baby arrived, she wrote Fenton again, begging for at least enough money to take care of the kid, but he never sent her a buck. Finally take care of the kid, but he never sent her a buck. Finally she got a cut-rate divorce on grounds of desertion."

"Good trick ending." I said.
"Twenty years later the out-raged wife frames the villain because he was mean to her cheild."

"Right." said the manager.

"Right," said the manager, "and when I get back to New York the next day. I told Fenton he'd better let the matter drop or I'd noise the story all over Broadway. Then I resigned."

signed."
