DOES IT HAPPEN often that a year has 53 Sundays?

A. There are 53 Sundays in

the years in which Jan. 1 or 2 (in leap years) falls on a Sunday. This happens quite often.

Q What is a trufile? C. E. K.

A. It is a fungus which grows underground to about the size

of a potato. Ususally it is sought

by keen-scented dogs and pigs, who dig down and expose the
