age bb, weight 125. But many a ring champion in the last 38 years—from fly-weight to heavyweight—has crumbled and gone down from the crashing impact of Golomb's own flying gloves.

A few; Jess Willard, Jack boxing game today can lay a Dempsey, Barney Goss, Max glove on Battling Jack Golomb, Baer, Henry Armstrong, Gene age 56, weight 125. Tunney, Primo Carnera, andyes, even Joe Louis. This would give Golomb the mightiest record in ring history

except for the fact that in none of these memorable fights were Jack's own fists in his gloves.

He merely made the gloves and sold them. Long ago the little Latvian immigrant decided that, for him at least, there was more money in putting boxing gloves on other people's fists than on his own. Golomb reached this decision

Golomb reached this decision as a 90-pound kid after fighting four times as an amateur. "I had a 50-50 record," he said. "I win two, lose two." But today he claims 95 per cent of all modern champions have trained or fought with his

gloves, And he built up a \$1,000, 000-a-year sports equipment bus-iness from a \$5 investment. He got the \$5 from his father in 1910.

"I was a ring-crazy kid down on the East Side," he said. "I was supposed to be working for

If table-rapping, knuckle-popn and teeth-suckin' don't get on a wife's nerves after 10 years, she's proof against nerves or she's still dead in love.

FORGET FLOWERS!

THEY COST SO LITTLE AND MEAN SO MUCHI

### By Joy Alan WHAT OTHERS ARE SAYING

King Cotton has done more to ruin the south agriculturally and economically than anything else. Cotton has done more damage to Georgia than Gen. Sherman ever did. -Novelist Louis Bromfield.

If the imperialistic nations should start a war against the Soviet Union, the duty of Comand all peace-loving munists people is to fight against them. -Ville Pessi, Finnish Communist leader.

I'm not going to let these old soldiers go to the poor house if I can help it. -Rep. John B. Rankin (D.) of Mississippi, defending his vets' pension bill.

It's not a cold war. It's a damn hot one. To call it by any

other name is a misnomer. Mai Gen William J. Donovan, wartime head of Office of Strategic Services.

Happiness is never my aim. Like Einstein, I am not happy and do not want to be happy have neither time nor taste for such comas. -Bernard Shaw.

tend vacations with pay, health clinics, better lighting, etc., em-ployes usually think this is just to get more work out of them. Psychologists, however, my father, who sold tailor trimmy father, who sold tailor differences of my time repairing boxing gloves for fighters in the neighborhood" have developed pretty accurate tests of generosity and social-One day the father came to

one cay the father take to him and said: "Jacob, the only way a man can learn the value of a dollar is to go into business for himself. mindedness. On these tests emthe same number of employes. Answer to Question No. 2 Here is \$5. Go into business for

yourself." The boy did. He haunted gyms, gave his early gloves away to get promising boxers to hard to determine in individual cases. Psychologists Sward and Friedman gave tests of tem-perament and emotional sta-bility to 367 families and con-

away to get promising boxers to use them. "They were tough and rugged in those days," he said. "They weren't soft like many fighters today. A boxer was proud of a cauliflower ear--it was the badge of his profession. The glove was little more than a plece of leather over his knucks. The training bag was a sailer's cluded the children resembled their parents as much in these respects as in intelligence. Hosts of studies indicate intelligence (learning ability) is fairly The training bag was a sailor's duffle bag filled with sawdust. Golomb pioneered or helped develop many of the safeguards now used to protect boxers-such as the headgear, rubber teeth protector, face mask, plas-

tech protector, face mask, pias-tic foul-proof cup protector and modern training glove. "The trouble at first was in getting them to use 'em," he said, "Many old-time fighters

thought they were sissy." The grandmother's mitten type glove of 40 years ago has grad-uated to an intricate tool re-quiring 25 operations to manu-facture. It is stuffed with goat, lamb, horse or hog hair and con-tains 12 different pieces of leather leather.

Jack says fighters now are particular about their gloves, and many want them made to order.

order. "Carnera had to be a special job because of the size of his hands," he recalled. "Tunney had a brittle hand. We had to had a brittle hand. We had to build him a special training glove with a rubber sponge across the knuckles. Joe Louis has a longer thumb on his right hand than on his left, so each glove had to be different." Golomb thinks present-day fighters get hurt because they don't take their training as seri-ously as the old-timers. Jack

ously as the old-timers. Jack Dempsey is his own here and, in his opinion, the best heavy-weight of all time.

FOR RENT

beingsey used to harden his hands before every fight by soaking them in slaughterhouse brine," he said. "He used to wash his first "Dempsey used to harden his brine," he said. "He used to wash his face in it, even, to "A fighter today would want cologne in the brine." 967 E. 4th

LONG BEACH (CALIF.) PRESS-TELEGRAM SUNDAY, MARCH 27, 1949

Employes, on the average, through imitation.

Employes practically always Answer to Question No. 3 No. In one school the princi-pal put out a large box labeled "FINDING IS KEEPING FOR

**A**—13

THE LOSER." It was constantly filied with every article that could conceivably belong to a " pupil. He concluded it had a " fine effect on the pupils in teaching them the right and wrong of lost property. Finding a lost article confers no owner-ship upon the finder.
