dent Truman is to speak via all starting a new season of secular neworks Sunday night in a broad- and religious music: CBS, You American Life" campaign. He ments, back on the air in a monthly series, starting with "Trial of Aaron Burr." York by Charles E. Wilson, president of General Electric. The program will have 15 minutes at 8:15

p. m. Pacific Coast time. Other week end radio developments: Saturday night-ABC return of Superman, another former MBS program shifting to this network and changing from five times to once a week. Bud Collyer continues in the title role he has played nine and a half years. This will move Gregory Hood, also ex-MBS, up a half hour.

Jeffrey Lynn on 'Suspense' Show

on Television Jeffrey Lynn of the movies stars as John Bantreagh, a man at whom the finger of suspicion is pointed, in "The Murderer" on is pointed, in "The Murderer" on the suspicion is pointed in the suspicion is pointed "Suspense" Tuesday, 9:30-10 p. m., on Channel 11. Caught at the scene of the crime by a dep-uty sheriff, Bantreagh tells his

uty sheriff, Bantreagh tells his story of the events that led to in the lives of our children. And his wife's slaying.

"The Murderer" is adapted to television by Joseph Hays from a short story by Joel Townsiey Rogers. Robert Stevens is the director and producer of "Suscined in "Television and Your Child" by Mrs. Henrietta Battle, barealt a mather of two children.

Payne Will Star on 'Silver Theater'

role of a romance counselor visited by an attractive miss who, although she's engaged, claims she's never been able to fall in love. He advises her to invite her-fiance to a candlelight dinner in her apartment. When the suitor calls for advice. Payne tells him he's been spoiling her too much and, thus, shouldn't show up for this dinner. The girl arrives in Payne's office the next morning to tell her tale of woe about the stand-up but discovers herself cured, and in love... with Payne, who returns the compliment.

Perhaps you can arrange your to demonstrate that color can be handled within the channels now set aside for black and white television. For this reason, he said, there is no reason why the government in the children look at the screen too long. "My chief objection is ... it might keep them indoors when they should be outside playing they should be outside playing the provious playing the provided a child view of work and in love covers herself cured, and in love compliment.

How long should a child view of work and a half or two hours won't harm the average child, says Mrs. Battle. Observe your own child, and watch for the definition of the provided within the channels now set aside for black and white television.

For this reason, he said, there is no reason why the government can not resume the licensing of individual stations. Licensing was suspended 13 months ago while the FCC investigated the general television picture.
