In addition to fine dance music, the program will offer onthe-spot broadcasts of the rejoicing of New Yorkers in Times Square as the New Year officially arrives, with similar pickups at hour intervals from the Chicago Theater marquee, a Denver hotel, and the intersection of Hollywood Blvd. and Vine St. in Los Angeles.

At intervals throughout the proadcast news bulletins will be aired from the C.B.S. news room in New York.

NEW YEAR'S RESOLUTIONS, WHICH USUALLY TURN out to be more fragile than mother's best china, will be strength-

ened by a cash value when John Reed King airs a public tug o' war between human deter-mination and human frailty on "Give and Take' at 12:30 p.m., Saturday over KTSA-CBS. Best of all, every time that frailty-the defending champion—wins a tug, the American Heart Association will receive a cash contribution as a reverse-salute to a weak will. King will select a contestant from his studio audience as a special "New Year's Resolution Man." The object of the game-and women can be expected to love it-is to find out how it takes a man to slip from his noble Jan. I resolve to eliminate those few little shortcomings he

(or his wife) noticed in 1949. KTSA-12:30 P.M. HIGHLIGHTS OF THE CONVENTION IN NEW YORK of more than 10,000 members of the American Association for the Advancement of Science will be reported on CBS' "Adventures in Science" with Watson Davis as emcee, Saturday at 2:15 p.m. KTSA-2:15 P.M.
