* * * DID YOU KNOW that 95 out of 100 homensters clip recipes published in newspapers? Prob-ably you do, too. If so, I'd like to know what interests you most. Would you prefer to have racipes explain the nutritive content as well as the details of recipe prepwell as the details of recipe preparation? Do you prefer recipes for everyday foods, or fancy, spe-cial-occasion dishes? Do you like to hear about table settings and decorations? Drop me a note, in care of this newspaper, and let me know your wishes, won't you?

4 4 4 SELECT EITHER FORM OF YEAST, dry or compressed, for bread or rolls. One package of dry yeast, when dissolved, equals 1 cake compressed yeast. Compressed yeast is moist and very perishable. It must be stored in the refrigerator and usually atays fresh about ten days. Dry yeast is more easily stored. It keeps well on the pantry shelf for several weeks. Use lukewarm liquids

to mix yeast breads. Hot liquids kill the yeast,
