for top magazines as he has done the past.

"In addition to being in partnership with Tors," Carlson ex-plained, "I've loaned myself out Bill Doudna's to other Hollywood firms as an Entertainment

produce science-fiction movies, the United Press reports, But they don't like having them called science-fiction movies.

"We feel," Tors said, "that the term science-fiction has come to mean something so distorted that we hate to apply it to our efforts, such as "The largest art history research institute in Germany has been opened in Bonn, the West Germany capital, taking the place of the first film, in which Dick plays the leading role, isn't the type of movie you'd expect to see after finding 'monster' as part of the title.

"We are striving to turn out"

Renaissance and braoque left in Old Nuremberg, contains some interior decoration s tanding monmary and in gomparison with any princely palace of its time. Visitors to Nuremberg may take sightseeing to time. Visitors to Nuremberg may take sightseeing to the city which include Fembo house, the old imperial castle, and famous churches such as St. Lorenz', St. Sedbaldus'. The largest art history research institute in Germany has been opened in Bonn, the West Germany capital, taking the place of the former institute, part of Bonn university, which was destroyed during the war, The 17th century stone sculp-drawn of Skinny) Waish and Prince of the Short and or striving to turn out.

part of the title.

"We are striving to turn out pictures that have a sound basis in scientific findings instead of basing them on someone's too fertile imagination.

"It seems to us that there are enough, astounding, things already that make it unnecessary to anticipate future scientific findings for he sake of a lurid effect."

Part of this feeling for authenticity stems from the fact that Tors, a native of Hungary, started out to be a mathematics major in the university before the writing bug got the better of him. He succumbed to that most virulent of disease—while stirl Berlin.

part of the title.

The 17th century stone sculptors (and friends" of retired Gen. Jonathan (Skinny) Wainwright dropped in at Brooke Army medical center Sunday to help the hero of Bataan and Corregidor westphalia, has been found to elebrate his 70th birthday.

The general's son and daughter-in-law, Capt. and Mrs. Jonathan Wainwright V, also were present for the get-together in the General's hospital room, where he has been ill since July string the piece.

A birthday cake was taken to his room, but the general wasn't allowed to have "too much" of it.

Wainwright was a prisoner of the Japanese during World War hibits are many from the former Kaiser Friedrich museum in Part of the strip in the university before the writing bug got the better of him. He succumbed to that most virulent of disease—while strip in the university before the writing of plays—while stirl Berlin.

of him. He succumbed to the Kaiser Friedrich museum in writing of plays — while still Berlin.

a student. Worse still, he was

encouraged by their production. 3 City Men Attend which ruined his future as a sci-Marquette Meeting

Tors came to the United States escaping Hitler, studied English at Fordham university for a year, and got a job writing screen plays for Columbia Pictures. After war service, he wrote for M-G-M, then went into direction and men are attending an Institute on Consumer Finance being conducted to-day through Wednesday by the fures. After war service, he wrote for M-G-M, then went into direction and men are attending an Institute on Consumer Finance being conducted to-day through Wednesday by the fure of the furnity waukee.

wrote for M-G-M, then went into direction and production. One still unreleased film of this period, is "The Glass Wall." filmed largely on the sidewalks of New York with Shelley Winters' Halian husband, Vitorio Gassmann, playing his first role in an American film.
