

# Dr. Dafoe Will Be A Of Eddie Cantor We

Physician Who Gained Fame Thru C  
tuplets Will Advise On Handlin  
Joe," The Foundling Bo

Eddie Cantor, returning to New York aft  
in Hollywood, will play host to Dr. Allan  
modest physician who brought the famed  
lets into the world, during the "Time To S  
over WEAf Wednesday at 9 p. m. Dr. Da  
respects to Eddie's five daughters.

The internationally famous physician is  
Canada to New York to pre-  
scribe for "Little Joe" the found-  
ling boy baby who has been in care  
of Cantor and Harry von Zell for  
several weeks. Doubtless the real  
pop-eyed member of the troupe  
will be Olive Major, 13-year-old so-  
prano, because she will be seeing  
Gotham for the first time in her  
young life.

Kay Kyser and his "College of  
Musical Knowledge" gang will  
leave on a tour of one night  
stands in the Pacific Northwest  
immediately following his broad-  
cast over WEAf on Wednesday  
at 10 p. m.

The "Ol' Professor" and his  
gang will open in Portland, Ore.,  
on March 22, and during their  
two week trip are expected to  
make an appearance at Camp  
Lewis.

Taking a page from the profes-  
sion that pays him a living,  
Whitney "the Duke of Paducah"  
Ford will talk about radio as a  
great defense weapon—a device  
that you can tune up loud enough  
to overcome the volume of your  
neighbor's set—during "Planta-  
tion Party." Wednesday at 8:30  
p. m., over WEAf.

The musical portion of the pro-  
gram will originate in Chicago  
and will feature the Westerners,  
the Dorings, George Barnes, Lou-  
ise Massey, Tom, Dick and Harry  
and Michael Stewart.

A story which thousands of  
people read in local newspapers  
unconscious of its dramatic pos-  
sibilities, will occupy the atten-  
tion of listeners to "Manhattan  
at Midnight," Wednesday at 8:30  
p. m., over WEAf.

The tale concerned two men  
who were given jail sentences on  
the same day, one for 30 days and  
the other for 60. While being  
transferred to prison, they got to-  
gether and decided to change  
identity. Having a "big deal" on  
the fire, the 60-day gent prom-  
ised to pay off his substitute.

About 24,000 of the 35,000 per-  
sons killed in U. S. traffic acci-  
dents in 1940 met death because  
a driver committed a reckless or  
illegal act.
