"Change of Life Made Me Scream at My Husband"

writes Mrs. M. Sabelocher of Mt. Vernon, N. Y.

"Now I don't suffer from 'hot flashes' and nervousness—feel fine," she adds.

• If you, too, are suffering from the irritable, restless feelings and hot flashes of change of life—listen! In tests by doctors Lydia Pinkham's Compound and Tablets gave relief of such functionally-caused distress in 63% and 80% (respectively) of the cases! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in the relief they give from those nervous, "out of sorts" feelings of mid-life "change"!

Get Lydia Pinkham's Vegetable Compound or new Tablets with added iron! (Wonderful, too, for functional pains of monthly menstrual periods.)

It acts through sympathetic nervous system to relieve distress of "hot waves"!
